

AB ASHLAR BLEND

A mixed-sized retaining wall block system from Allan Block

AB Ashlar Blend from Allan Block creates beautiful patterns by blending its different modular shapes together in random or pre-set patterns. Whichever way you stack it, the result is a classic retaining wall block wall that is, definitively, your own.

AB Ashlar Blend from Allan Block gives a smooth fluid finish in retaining walls for any outdoor living space. Featuring a built-in interlock and setback, these retaining wall blocks are easy to install without any special materials or tools. The hollow core offers superior drainage and easier handling for a faster installation.

Rectangular, square, thin - all working together

This retaining wall block system installs with a six-degree setback and includes corner units and coping units for the top. AB Ashlar Blend from Allan Block is available in the nature-inspired colour, Natural Charcoal. For installation and more information visit allanblock.com

Whether you are installing the retaining wall blocks yourself or using a qualified contractor, we recommend you visit your local [Shaw Retail Centre](#) or one of our [independent dealers](#) for helpful hints and project assistance.
