

AB STONES

Versatile and easy-to-install retaining wall blocks from Allan Block

From light-landscaped terraces to major structural retaining walls, AB Stones from Allan Block will cover your landscaping needs. Design with fluid curves or strong straight lines. Add angles, corners and stairway details. Change the colour, shape or size. Allan Block gives you a multitude of design options in the popular retaining wall blocks known simply as AB Stones.

AB Stones from Allan Block generate a smooth fluid finish in any outdoor living space. Featuring a built-in interlock and setback, these retaining wall blocks are easy to install. The hollow core offers superior drainage and easier handling. The resulting patterned retaining walls will define your space for years to come.

An inviting texture in natural colour tones

AB Stones from Allan Block are available in nature-inspired colours- Natural Charcoal and Chamois Charcoal. The system installs with a three-degree setback and includes corner units and coping units for the top. For installation and more information visit allanblock.com

Whether you are installing the retaining wall blocks yourself or using a qualified contractor, we recommend you visit your local [Shaw Retail Centre](#) or one of our [independent dealers](#) for helpful hints and project assistance.
