Meet modern sophistication with these large format, smooth slabs.
A modern slab design that elevates any outdoor space. With its clean lines and smooth texture, this slab offers a sophisticated aesthetic that seamlessly complements contemporary surroundings.

Not only are these slabs aesthically-pleasing, they also offer practical convenience. Their larger surface area means fewer pieces are needed, reducing installation time and creating a more cohesive and balanced appearance.

RECOMMENDED USE

Patios & Walkways

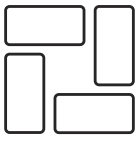

Pool Decks

COLOUR

Light And Stormy
