### **Meet modern sophistication with these large format, smooth slabs.**

A modern slab design that elevates any outdoor space. With its clean lines and smooth texture, this slab offers a sophisticated aesthetic that seamlessly complements contemporary surroundings.

Not only are these slabs aesthetically-pleasing, they also offer practical convenience. Their larger surface area means fewer pieces are needed, reducing installation time and creating a more cohesive and balanced appearance.

### RECOMMENDED USE

Patios &  
Walkways

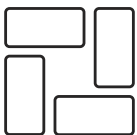

Pool Decks

### COLOUR

Light And  
Stormy

### SHAPE

Rectangle

### TEXTURE

Smooth

## THICKNESS

60 mm
