Chateau Assorted comes in three different shaped paving stones: Large Rectangle, Square, and Small Rectangle. Combine them with the larger Chateau Grande to create random concrete paver designs with sharp clean edges.

In any configuration, the grained texture of these interlocking pavers make them perfect choices for driveways, patios and poolsides.

Chateau Pavers are available in three popular colours

These interlocking concrete pavers are available in three nature-inspired colour options: Natural Charcoal and Chamois Charcoal.

Our premium quality Chateau Pavers are distinctive and durable, with the added bonus of outlasting other landscaping alternatives, which will greatly enhance the character and value of your home.
