

HERITAGE SLIM

Wavy-beveled-edges lend a rustic aesthetic

Heritage Slim Pavers feature a smooth face with a beveled edge that is accentuated by gently undulating waves. The resulting look is unlike any other paving stone in our collection. Their natural, tile-like texture and rustic feel will be sure to inspire any outdoor living environment.

Heritage Slim Pavers are available in one size only in three natural colour options: Natural Charcoal, Chamois Charcoal and Mocha Charcoal.

Create alternating linear patterns with this paving stone
