

HIGHLAND KIRKHILL

Clay Brick inspired by old Scotland

The Highland Collection of Clay Brick from Shaw Brick is sure to bring the warmth of tradition and added value to your home. These unique blends bring distinctive colour palettes and textures for you to choose from.

The use of blended bricks is a growing design trend that offers a gentle mix of light golden tones with a subtle weathering effect. Blended bricks also have an attractive natural texture, which adds further character.

The Highland Collection of Clay Bricks is available in six colour ranges: Aberdeen, Edinburgh, Glasgow, Kirkhill, Stirling, and Kilwinning. Four more colour ranges are available as special orders: Braemore, Blackburn, Argyll and Ayrshire.

Brick, made right here in Atlantic Canada

And, remember, Shaw Brick is made right here in Atlantic Canada, so buying our bricks supports the regional economy.
