effective through years of use and is recommended by many brick, tile and mortar manufacturers. This Masonry Cleaner is safer than muriatic acid for new masonry surfaces. It is fast and easy to apply and is used with a cold water rinse. Special wetting agents let larger masonry surfaces be cleaned at one time, eliminating streaking.

Sure Klean Vana Trol

Shaw also offers Sure Klean Vana Trol. Vana Trol is a concentrated acidic cleaner for new masonry surfaces that are subject to vanadium, manganese and other metallic stains. Vana Trol is designed to simplify rinsing and reduces the potential for efflorescence.
