

MONT ALPI SUPREME 470 CARTED GRILL

A robust stylish and fully black stainless steel cart grill with white granite side shelves.

Offers 4 heavy duty 304 stainless steel burners making even the most beginner chefs able to craft professional meals. It is also equipped with the ceramic infrared back and side burners great for when you cook a large roast or use the heavy duty rotisserie kit that is included. The halogen lights in the cooking area are great for cooking in the evening or darker hours and it also has stylish on/off color changing LED lights on the control knobs. The Mont Alpi is the only grill to have the all new "Heat Wave" Double Layer Sear plates to enhance your cooking experience. This helps reduce the grease flair ups, retains Heat and encourages smoke, smells and flavors that are essential from your BBQ. All stainless steel structure on the Mont Alpi Built in is Marine Grade 304, so it is a very heavy duty and weather resistant grill and stands up to whatever the elements may be. The grill is natural gas convertible in under 30 minutes and it comes with the tool required to convert it all you will need is a natural gas hose.

Entire unit 56" x 23" x 47".
