

MONT ALPI 805 DELUXE ISLAND

The Mont Alpi 44" Built-in Grill is the perfect built in for any project, whether replacing or starting fresh.

The grill is manufactured using 304 stainless steel and designed to withstand the elements. The good looking grill offers 6 burners of regular cooking area along with a rear burner and heavy duty rotisserie kit for the ultimate rotisserie experience. The large L brackets and back bracket provide extra tolerance for most 6 burner cut outs. The grill comes standard with LED knobs that are blue when the grill is off and red when the grill is on, there are also two bright internal lights for precision cooking, even in the dark.

Grill unit 43"x23"x47".

SPECIFICATIONS

The Mont Alpi D series stands for deluxe and that is exactly what you get from the 805 Deluxe Island.

This grill combines six burners of standard cooking size along with an extremely useful infrared side burner suitable for searing, pan frying and boiling and an infrared rear burner for the ultimate rotisserie experience.

The Mont Alpi D series comes with waterfall granite which extends down the sides of the grill for easy
