

OLD WORLD

Patio blocks that recreate the streets of old Europe

It's all in the name - the Old World Patio Stones have authentic charm. With a faux cobblestone imprint, these patio blocks are designed to create the feel of streets in old Europe - a design that has long made the Old World Patio Stone a favourite.

Old World Patio Stones are available in three popular colours: Natural Charcoal, Mocha Charcoal and Red Charcoal. Their 14x14" size makes them easy to handle for any patio installer - homeowners and professionals alike.

Patio slabs have the advantage of being faster to install than the smaller-sized Pavers, but be sure that your site is properly prepared for installation.
