

SMOOTH

A contemporary Clay Brick with a clean look

As the name implies, Shaw's Smooth Collection offers a clean, uncluttered brick look with a warm, smooth finish. This is a contemporary brick filled with traditional quality and character.

Well known for beautiful clean lines, smooth-face textures and a palette of inspirational natural colours, the Smooth Collection from Shaw Brick creates a strong, clean aesthetic for residential and commercial building projects alike.

These Smooth Collection clay bricks can also be colour matched with bricks from other Shaw Clay Brick collections to achieve tonal and textural variation.

The Shaw Brick Smooth Collection is available in five colour ranges: Red Range, Flashed Range, Buff Range, Grey Range, and Manganese Dark Range.

Bricks made right here in Atlantic Canada

Manufactured right here in Atlantic Canada, Clay Brick from Shaw Brick has been a timeless staple of the construction industry for over 150 years. And, Shaw's Clay Brick is just as desirable now as it was a century and a half ago, thanks to our continuous innovations in product design and quality.
