

UTILITY STONE

Simple, hardworking patio blocks that go the distance

These diamond pattern patio stones are the hardworking stalwarts of the Shaw Brick Patio Stone Collection. They are perfect for around the pool, on a patio, or on a garden walkway.

Available in four different patio block sizes

Size up your property and there is likely a good place for one of our Utility Stone Patio Stones size options: 24x12", 18x18", 24x24" and 30x24". Utility Stone Patio Stones are only available in a Natural concrete colour. Larger patio slabs like these have the advantage of being faster to install than the smaller-sized pavers, but be sure that your site is properly prepared for installation.

Utilize some of our patio stone expertise

Whether you are installing the patio slabs yourself or using a qualified contractor, we recommend you visit your local [Shaw Retail Centre](#) or one of our [independent dealers](#) for helpful hints and project assistance.
