

AMESBURY FIRE PIT KIT

A circular fire pit within a square, surrounded by River Stone

The Amesbury is a Shaw Brick Fire Pit Kit that uses 36 Classic Weathered WallStones in Natural Charcoal colour. This sleek 48" square fire pit includes 36 stones and a 26" round steel insert surrounded by natural River Stone (also included).

Warm up to the clean lines of this outdoor fireplace kit

The Classic Weathered WallStone surrounding this fire pit has the same simple design and versatility of its rugged Weathered WallStone cousins but with clean-cut lines. The slate-like texture and clean edges provide a contemporary feeling of elegance in outdoor fireplace kits.

Transform your outdoor living area by adding the warmth, light and atmosphere of an Amesbury another long-lasting Shaw Brick Fire Pit.
