

## **AMESBURY FIRE PIT KIT**

### **A circular fire pit within a square, surrounded by River Stone**

The Amesbury is a Shaw Brick Fire Pit Kit that uses 36 Classic Weathered WallStones in Natural Charcoal colour. This sleek 48" square fire pit includes 36 stones and a 26" round steel insert surrounded by natural River Stone (also included).

### **Warm up to the clean lines of this outdoor fireplace kit**

The Classic Weathered WallStone surrounding this fire pit has the same simple design and versatility of its rugged Weathered WallStone cousins but with clean-cut lines. The slate-like texture and clean edges provide a contemporary feeling of elegance in outdoor fireplace kits.

Transform your outdoor living area by adding the warmth, light and atmosphere of an Amesbury another long-lasting Shaw Brick Fire Pit.
