

VICTORIA FIRE PIT KIT

A circular fire pit featuring our Classic WedgeStone

The Victoria Fire Pit Kit from Shaw brick allows homeowners to easily match their existing landscaping as it uses our Classic WedgeStone in Mocha Charcoal colour to surround the outdoor fire pit. This sleek 48" diameter fire pit includes 60 Classic WedgeStones and a 35" round steel insert.

Designed with an easy to install wedge shape, this product is perfect to create an elegant circular layout of the Victoria Fire Pit Kit. Each Classic WedgeStone unit locks firmly in place, with a built-in locking system, ensuring stability over time. Its textured face on both sides offers a pleasing view from all sides of this outstanding Shaw Brick Fire Pit.

Beautify your outdoor space with a low-profile fire pit

An outdoor fire pit like the Victoria will give you the warmth and cozy feeling you get from an open fire while being safely enclosed within beautifully crafted stonework.
