

WINDMILL FIRE PIT KIT

An elegant square fire pit design

The Windmill is a Shaw Brick Fire Pit Kit that uses 48 Classic Weathered WallStones in Natural Charcoal colour. This sleek 48" square fire pit includes 48 stones and a 26" square steel insert.

Warm up to the clean lines of this outdoor fireplace kit

The Classic Weathered WallStone surrounding this fire pit has the same simple design and versatility of its rugged Weathered WallStone cousins but with clean-cut lines. The slate-like texture and clean edges provide a contemporary feeling of elegance in outdoor fireplace kits.

Transform your outdoor living area by adding the warmth, light and atmosphere of the Windmill
- a stylish and long-lasting Shaw Brick Fire Pit.
