

WINDSORSLATE & CASTLESlate

Paving stones with clean lines and an elegant slate-like finish

Boasting clean lines and an elegant slate-like finish, WindsorSlate Pavers come in three different shaped stones: Large Rectangle, Square, and Small Rectangle. Combine them with the larger block-style pavers, CastleSlate, to form inspiring random designs with strength at the core.

These popular interlocking pavers mimic natural stone with four colour blends that can all be found in nature: Natural Charcoal, Chamois Charcoal (WindsorSlate Only), and Mocha Charcoal (WindsorSlate only).

Thicker, heavy-duty slate paving stones

The additional thickness of WindsorSlate and CastleSlate concrete pavers makes them ideal for high traffic areas such as driveways, patios or poolsides.

No matter which paving stone you select, rest assured that your project will be off to a great start when it is built on a foundation of Shaw Brick style, quality and expertise.
